| <b>2:00</b> | <b>Welcome and Introductions</b>   | <b>All</b>          |
| <b>2:15</b> | <b>Tour of the Stonewater Creek Water Treatment Plant followed by a tour of the Wastewater Treatment Plant and RIBs</b>  |                     |
|             | <p>The Stonewater water treatment plant and wastewater treatment plant use what Artesian calls “total water resource management.” The water Artesian takes out of the ground to serve customers is then treated and put back into the ground through land disposal that replenishes the groundwater. Recycling a valuable resource for future generations!</p> |                     |
